2025 PEW RESEARCH CENTER'S AMERICAN TRENDS PANEL
WAVE 160 JANUARY 2025
SURVEY OF LGBTQ ADULTS
FINAL TOPLINE
JANUARY 8-19, 2025
TOTAL N=3,959

Note: All numbers are percentages unless otherwise noted. Percentages less than 0.5% are replaced by an asterisk (*). A hyphen (-) indicates that the sample size for a given subgroup is too small to report for that question. Rows/columns may not total 100% due to rounding.

"No answer" includes web respondents who do not answer the question as well as telephone respondents who refuse to answer or who say they don't know how to answer. In cases where "not sure" was offered as an explicit option to web and telephone respondents, the "no answer" category includes only web skips and telephone refusals.

This survey was conducted primarily online, with some interviews conducted by live telephone. This topline shows the programming language for online administration. For details on how questions were slightly modified for phone administration, visit the questionnaire.

PN = Programming note

	Sample size	Margin of error at 95% confidence level
All LGBTQ adults	3,959	+/- 2.2 percentage points
Gay or lesbian	1,618	+/- 3.5 percentage points
Bisexual	1,825	+/- 3.3 percentage points
Transgender	305	+/- 8.1 percentage points

A NOTE ABOUT THE SAMPLE:

This survey includes a nationally representative sample of U.S. adults who are gay, lesbian, bisexual, transgender or queer. In this topline, findings based on gay, lesbian or bisexual adults exclude those who are transgender. Findings based on transgender adults include those of any sexual orientation. Queer adults are included in the total and in the gay or lesbian, bisexual, and trans totals if they indicated they also identify with any of these terms. There aren't enough adults in the sample who are queer but *not* gay, lesbian, bisexual or transgender to report on that group separately.

In this topline, DOV_MARITAL is coded 1 for respondents who are married and 2 for those who are living with a partner. Questions that were asked of people who are married, living with a partner or in a committed relationship were asked only of those who are in a relationship with one person or who have more than one partner but consider one of them their primary partner.

"ASK ALL" or "DISPLAY TO ALL" used from here onward refer to all LGBTQ adults.
